

CO328 : Software Engineering - 6th Semester Project
Project Milestone 2

18 Minutes (10 Minutes - Presentation , 4 Minutes - Questions and Answers , 4 Minutes - Feedback)

| | | | | | |
|---------------|---------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| Group Number | | | | | |
| Project Title | | | | | |
| Product Owner | | | | | |
| Scrum Master | | | | | |
| Members | Registration Number | | | | |
| | Signature | | | | |
| | Is Presenter | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

| |
|--|
| <i>Please indicate whether any student has made a notably disproportionate contribution.</i> |
| |

Things to look for:

- Analyzing and Attention given to functional and non-functional requirements.
- Effective use of diagrams/figures to describe the solution architecture.
- Reasoning behind design choices made.
- ML Proposal - where applicable
- Attractiveness and professionalism of the presentation.

Please rate the students' performance on the following aspects of their project proposal, by marking a check ☒ in the appropriate box:

| Whether covered: | No | Yes | | | | Remarks |
|---|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|---------|
| | | Poor | Mediocre | Good | Excellent | |
| Analyze Requirements: <ul style="list-style-type: none"> Identifying functional and non- functional requirements. UML diagrams for analyzing the identified requirements. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| Process <ul style="list-style-type: none"> Understanding of the process Followed activities related to the process | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| ML Proposal - Where applicable | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| Solution Architecture: Data & Control Flow <ul style="list-style-type: none"> High-level system organization (all components of the system and the links among them) Flow of data through the system Storage of data at various points in the system (temporary and permanent) Analysis, presentation and visualization of data (based on different stakeholders' requirements) Control decisions (what kinds of decisions and where are they made?) Flow of control through the system | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| Status of version controlling and documentation <ul style="list-style-type: none"> GitHub Repository Project Page | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
| Overall Attractiveness and professionalism of the presentation | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | |
